**New York, NY - July 20th, 2016** - Stylish eyeglasses are no doubt amazing yet it's often the pricey tag that comes in between. But not anymore- Leading online eye-glass store OpticalNext has assured to extend designer branded RX glasses at highly pocket-friendly rates. Glass fashion just got wee easier.

“We know how much you love to sport to trendy eye-glasses but it's the usual expensive price tags that play the spoilt sport here. In most of the cases, even if you manage to end up with one, you have to wait till you get a fitting occasion or dress to complement it. How about having different designer glasses to complement your different moods or needs and that too without costing an arm or leg? Sounds impossible, right? But no- here

at OpticalNext, we bring to you a wide range of luxury RX glasses but at just 1/3<sup>rd</sup> or 1/4<sup>th</sup> of the price you pay for branded glasses usually”, smiled the leading sales official from OpticalNext.

The New York-based online eye ware store is focused on super savings for the customer with its different cost-reduction strategies, without compromising on quality and style. All the optical products offered at the store are delivered directly to the customer's door which saves the storage, middleman and advertising costs- that further allow a convenient budget pricing for the customers.

“Now you can easily have a series of trendy glasses to fit different occasions or moods, say one for your college, one for parties with buddies and another one for family occasions- all that without asking for extra pocket money from your parents.”

Speaking further, the sales official stressed on providing the customers with guaranteed prescription accuracy. He mentioned of taking to state of the art manufacturing techniques and rigorous quality-control checks on every product.

“Backed by seasoned optometrists, eyeglasses designers, and I T experts, we can always assure you the best quality in prescription eyeglasses. We have well-trained and highly skilled ophthalmic technicians for our lens lab as OpticalNext is all a bout best-assembled spectacles at highly affordable rates.”

There are both men's and women's glasses as well as a separate section for unisex glasses. In regards to the frame material, the customers can choose from plastic or metal or a combination frame. Interested visitors can try out the Virtual Try-on section on the

OpticalNext website to find out the most fitting frame according to face-cut and complexion, before placing the order. The OpticalNext manager revealed about their free gifts with every order. A pair of eyeglasses from the store would be accompanied by a free of charge scratch-resistant coat which would otherwise charge around extra \$30-\$50 at regular local stores. A microfiber cleaning cloth and a stylish eyeglass case would also come for free with the package.
